

Truxton Corporation Announces Increased Quarterly Cash Dividend for 2026 and a \$5 Million Repurchase Authorization

January 29, 2026 2:00 PM EST

NASHVILLE, Tenn., Jan. 29, 2026 (GLOBE NEWSWIRE) -- Truxton Corporation (OTCID: TRUX), a financial holding company and the parent of Truxton Trust Company, announced that its Board of Directors has approved a quarterly cash dividend of \$0.88 per common share payable March 24, 2026, to shareholders of record as of March 10, 2026, representing a 76% increase over the 2025 regular quarterly dividend of \$0.50. This large increase reflects the absorption of prior years' \$1.00 special dividend into the regular dividend payment amount. This \$0.88 dividend annualized to \$3.52 would be 17% higher than the \$3.00 per share total paid in 2025. Truxton Corporation has increased its dividends for fourteen consecutive years.

The Board of Directors has also authorized a stock repurchase program under which the Corporation may acquire up to \$5 million of its common shares during a period beginning after the release of fourth quarter earnings and extending for one year. The shares may be purchased in open-market or private transactions at the discretion of management, subject to the limitations of applicable securities laws.

The share repurchase program may be extended, modified, amended, suspended or discontinued at any time at the Corporation's discretion and does not commit the Corporation to repurchase shares of its common stock. The actual timing, number and value of the shares to be purchased under the program will be determined by the Corporation at its discretion and will depend on a number of factors, including the performance of the Corporation's stock price, the Corporation's ongoing capital planning considerations, general market and other conditions, applicable legal requirements and compliance with the terms of the Corporation's outstanding indebtedness.
